WORK EXPERIENCE

Randstad Digital, Hyderabad | Aug 2025 – Present

Content Marketing Specialist

- Strategized and executed full-funnel marketing campaigns, producing high-converting landing pages, case studies, emails (1:1/marketing), social media content, and lead-generation assets like e-books and whitepapers.
- Collaborated with cross-functional stakeholders across Europe, APAC, and India to adapt regional assets and streamline translation workflows using AI-driven tools.
- Authored high-impact B2B content, including thought leadership blogs, marketing newsletters, sales pitch decks, and email sequences, while synthesizing data-heavy reports into actionable, audience-focused takeaways.

Cognizant Technology Solutions, Hyderabad | Oct 2023 – Aug 2025

Content Writer and Reviewer - SME

- Developed and optimized high-performance B2B content for global tech clients, ensuring 100% alignment with brand guidelines while leading launch campaigns and documentation for assets like Google Maps and Pixel.
- Enhanced UX/UI workflows by authoring conversational content, effectively reducing user support queries by 30% through intuitive navigation.
- Improved data quality and operational efficiency by reviewing content for AI model training, resulting in a 50% boost in accuracy, and establishing internal repository documentation to standardize organizational processes.

Coach Foundation | Sep 2021 – Jul 2023

SEO Content Writer

- Drove organic growth and visibility by developing SEO-optimized blogs, landing pages, and homepages, resulting in a 34% increase in search visibility and a 25% boost in overall website traffic.
- Executed targeted D2C and coaching campaigns by crafting brand-aligned social media content and email sequences to drive engagement and audience retention.
- Optimized performance and project workflows by managing Trello, overseeing freelancer collaborations, and utilizing Google Analytics to extract actionable insights for improved ROI.
